Press Release

The Treasure Island Police Department is pleased to announce the First Annual Treasure Island Police Officers' Ball to be held in the Grand Ballroom at the Club at Treasure Island on Saturday, April 16, 2016 from 7:00 pm to 12:00 am. This black tie formal event will feature live entertainment, cocktail hour with hors d'oeuvres, three-course dinner, a live professional ballroom dance presentation followed by dancing to the big band sounds of the Helios Swingtet. The crowning moment for this special community event and fund raiser will be a drawing at 10:00 pm when one of the 300 ticket holders will win a $10,000.00 grand prize. Ticket holder must be present to win.

Tickets are $125.00 per person with tables of 8 or 10 available. Tickets can be purchased beginning on Monday, February 8, 2016 at the Treasure Island Police Department from 8:00 am to 4:00 pm. Cash or check only (checks made payable to the Treasure Island Police Association).

This gala event is sponsored by the Treasure Island Police Association, which is now a 501(c)3 non-profit organization. Your ticket purchase is 100% tax deductible. The balance of all proceeds will be earmarked to a special Treasure Island Police Association fund for the future purchase of a new police vessel (replacement).

We are honored to co-sponsor this event with The Club at Treasure Island, Fred Astaire Dance Studio (Central Avenue) and the Helios Swingtet. We hope you will join us for this nostalgic swing back in time as we host our first Treasure Island Police Officers' Ball.
