

CITY OF TREASURE ISLAND

REQUEST FOR PROPOSAL NO.: ITB 1617-19 April 14, 2017

ADDENDUM NO. 1 ISSUED MAY 2, 2017

Addendum Contents:

Questions and answers:

1. There are several variations on the back design, do you have a picture or a spec I can follow.

The Specifications are found on pages 2 through 4 in the bid document.

2. Do you behave any of these chairs there that our sales associate might stop by to confirm the specification?

The City currently has orange stackable armless hard plastic chairs that were purchased in 1980; therefore, we do not have the chair we are bidding or the like. The committee liked the look of the Vario All Day stacking chair (attached) or something similar.

3. Please let me know what is required for us to be a part of the competitive process.

The City would prefer that you sign up on Vender Registry, but you may still bid using the Bid Forms found in the Bid located on our website.

4. Is there a particular model # you are trying to match from the MTS Vario All Day series?
5. There are a few different models available.

<http://www.mtsseating.com/catalog/banquet-meeting-room-seating-tables/vario-allday-stacking-chairs-from-mts-burgess/>

A chair similar to 22/IT, 22/1, 22/2, 22/2T & 22/4.

6. I would like to assist you in the purchase of the stacking chairs and need to know how many dollies you need for this project?

As noted on page two of the bid, "Chair Dollies – chair dollies with casters for stacking up to 8-10 chairs and compatible with indicated style or equivalent". We are asking for a cost for 550 chairs so the number of dollies needed will depend on the number of chairs each dolly is designed to carry.

7. Is the delivery during regular business hours? To one location?

The delivery hours will be from 7am to 3pm, Monday through Friday. The locations in the City of Treasure Island are the Community Center and City Hall.
