Treasure Bay Golf and Tennis

It's Easier Than Ever To Get In The Game

- Your child will enjoy playing with balls that bounce lower and move slower through the air, making them easier to hit.
- Racquets are sized for small hands, making them easier to grip and swing.
- Courts are smaller, so kids can cover them and have more success when they play.
- Kids have more fun—and want to play more often.
- Tennis is a sport that gets kids moving, improves balance, agility and hand-eye coordination, and can teach self-confidence and self-assurance.

- Playing tennis, your child can make new friends in a safe, supportive environment.

By getting your kids into the game you'll be opening a door to a lifetime of enjoyment
